February 2013

Dear Friends,

We are pleased to announce Brauner Insurance Services has merged with Intermountain Agency, Inc. effective March 1<sup>st</sup>, 2013. We will be moving our office on Friday March 1<sup>st</sup> to their office located at 1650 S. Albright Lane, Boise, ID 83709. Their agency is located on Overland Road between Curtis and Cole Roads, was established in 1985 and has grown in reputation over the years to good standing with their loyal clients as well as the industry carriers.

We have continued the legacy of quality service at Brauner Insurance since Jess passed while looking to protect and grow our client base. In light of the new PPACA health care reform laws, we feel this move will best protect our clients in the face of changes in the health insurance industry landscape. Bringing our book of business under Intermountain Agency will also present you with the convenience of additional insurance coverage choices.

Our current product portfolio includes Health, Medicare, Dental, Vision, Life and Disability insurance products for our individuals and groups. You will now have the opportunity to purchase Long Term Care plans, as well as Property and Casualty products and Business Liability coverage under one roof. We will also have an in-house exchange through our company website which will help with your Federal or State PPACA insurance choices this fall.

**Sarah Taylor** will be transitioning with the business and will continue to be your agent contact for your existing and new insurance needs. Sarah has been in the business since 1999 and in the Brauner office for nine years as well as having experience at the provider and carrier levels. Please refer to the enclosed business card for her new contact information or email at: [sarah@braunerinsurance.com](mailto:sarah@braunerinsurance.com).

You are welcome to visit our new office location and don't hesitate to call with any questions you may have. As always, a referral is the kindest compliment you can give. We thank you for your loyalty over the years and look forward to our continued partnership!

Sincerely,

Brauner Insurance Services
